CRIMINAL COMPLAINT

Case Number: 1:16-po-1939

I, the undersigned complainant state that the following is true and correct to the best of my knowledge and belief. On or about November 30, 2016 in Cameron County, in the Southern District Of Texas defendant(s) willfully, knowingly, and unlawfully aid and abet one (1) undocumented alien by transporting them north, furthering their illegal entry into the United States.

in violation of Title 18/8 United States Code, Section(s) 2/1325

I further state that I am a(n) Border Patrol Agent and that this complaint is based on the following facts:

On November 30, 2016, at approximately 9:20 p.m., The Remote Video Surveillance System (R.V.S.S.) operator observed several subjects making their way north from the Rio Grande River near the intersection of George Saenz Road and Southmost Road in Brownsville, Texas. Agents encountered two subjects just north of the fence line. Agents identified themselves as a Border Patrol Agents and asked if they had any immigration documents that would allow them to enter, be or remain in the United States legally. It was later determined the one subject was a United States Citizen who claimed he had not made an illegal entry. Subject Jose Luis PRADO claimed he went down to the river to pick up his spouse Susana Concepcion RAMIREZ-Robles who made an illegal entry into the Unites States.

Subject had $0 funds at time of apprehension.
